

Partner Portal

Exclusive digital platform for partners

Dear Partner,

To make it easier for our Partners to access technical and commercial information from the manufacturers represented by DSSI, we have launched our Partner Portal – an exclusive platform designed to support your day-to-day work.

To access this data, you will need to register and select the manufacturers from whom you wish to receive content. You will then receive an email from **Kiteworks DSSI**, and by creating a password-protected account, you will be able to access information from the manufacturers you have selected during this initial phase.

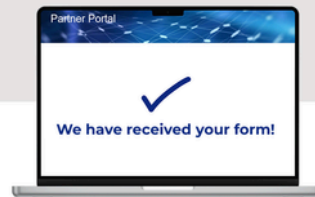

1

Visit our website and select the Partner Portal tab

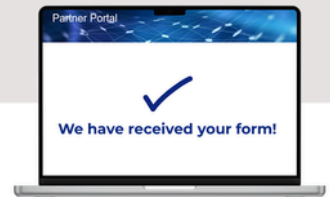

2

Fill in the form

3

Our sales team will process your registration as soon as possible

4

You will receive a confirmation email containing instructions and your login details

On Partner Portal you will find:

- ➔ Technical and sales documents updated;
- ➔ Detailed product information;

- ➔ News and updates from manufacturers;
- ➔ Supporting documentation for enquiries and technical clarifications.

We want this portal to be a practical, centralised tool, enabling you to quickly access the most relevant information whenever you need it.

Sign up to the Partner Portal here: www.dssi.co.ao/partner-portal/

We recommend that you bookmark the link for quick access.

If you have any questions or suggestions regarding the Portal, we are here to help.

For personalised advice, password recovery or password reset, please contact us by email: comercial@dssi.co.ao
